

Unfold Pendant Lamp

“We wanted to bring a new perspective to the classic industrial light with the Unfold Pendant Lamp, creating an expression that is at once timeless and modern. To achieve this, the design comes in a rubber silicone material for a playful and tactile character along with a matte touch. With its modern and flexible material, the Unfold Pendant Lamp can be folded into a flat box for eco-friendly shipping and a contemporary look.”

— Form Us With Love

Designed by	Form Us With Love
About the Designer	Form Us With Love is a Stockholm-based multidisciplinary design and interior architecture studio. Their work has won several prestigious awards such as the Red Dot and Young Swedish Design Awards. Further accrediting the trio are successful exhibitions at venues like MoMA and the Swedish National Gallery.
