

ABOUT A CHAIR / AAC 127

DESIGN BY HEE WELLING & HAY

Featuring a four-legged steel frame with slim legs, the AAC 127 has a sleek, elegant expression. Retaining the same high backrest and generous seat that characterises the series, this design features a functional base with angled legs that slant slightly outwards for optimal stability. The base is available in chrome and powder-coated finishes, and the shell comes in a variety of upholstery options, providing a multitude of design combinations that give this series great versatility in a wide range of corporate, public, and private contexts.
