HAY will not accept any responsibility for any accidents, injuries or damages that occur due to the use of incorrect bulbs.

ATTENTION

Ensure that the power supply to the circuit has clearly been turned OFF before installing the product. In some countries, electrical installation must be carried out by authorised electricians/contractors; please check with your local authority for guidance.

The product must not be modified in any way. HAY accepts no responsibility for any products that have been modified or tampered with. If the external flexible cable or cord of this luminaire is damaged, it should be exclusively replaced by a qualified electrician in order to avoid an electrical hazard. This lamp is designed for indoor use only.

CARE AND MAINTENANCE

The product can be cleaned with a soft damp cloth and mild detergent, or a dry microfibre cloth. Do not use alcohol or any other solvents to clean the product and avoid using abrasive or rough sponges. Ensure that the power supply has been turned OFF before cleaning the product.

- PARTS -

Table Cord Set

1.

Unscrew and remove the lower shade ring from the E27 bulb holder of the table cord set.

2.

Place the shade on the bulb holder and replace the shade ring to fix it in place. Carefully screw a bulb into the bulb holder, ensuring that it is not too tight. Please note that shades are sold separately.

This cord set should be used in conjunction with a standard E27 washer fitting as shown below.
