

Connect Modular Sofa

“Connect is a modular seating system based on the idea of finding perfect proportional connections between the different components of the sofa. The design shows a precise attention to details and has architectural principles derived from modernism. The sleek long lines give the sofa a modern yet timeless expression. Connect the modules to create a sofa of your choice.”

Description	The Connect Modular Sofa brings a modern perspective to the typology, allowing for its user to customize the sofa for their exact spatial and aesthetic needs with 11 different modules. Designed with long, elegant lines, the Connect Modular Sofa's details of its small feet underneath for a hovering, light sentiment and pointy corners allow for the design to bring character to any space, all while complementing and enhancing its surroundings. Use the Connect Modular Sofa for a deep, modern comfort in any home, workplace, lounge area or hospitality setting.
Material	Seat and back frame made in wood. Back frame is covered with cold-foam filling and cotton wadding. Seat is made with zig-zag springs, felt, cold-foam and cotton wadding. Each module is upholstered in high-quality textiles and are kept together with connecting metal brackets.
Cleaning & Care	Remove non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water. Finally, dab the surface with clean water. See kvadrat.dk or nevetex.com for further cleaning and maintenance instructions for your chosen textile. See kvadrat.dk, nevetex.com, Rossini Della Quercia or knoll.com for further cleaning and maintenance instructions for your chosen textile.
Directional Modules	Right and left refers to the side when facing the product from the front.

Create your own Connect Configuration

1. SEATING MODULES

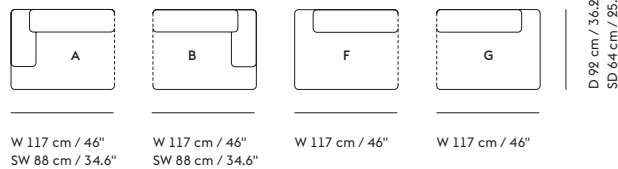

Select your desired seating modules.

Add the item numbers of the desired textile separately to your order.

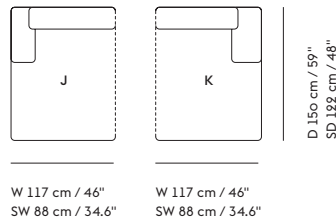

Note

You can only connect seating modules with pre-mounted linking brackets on the sides, illustrated here with dotted lines. Please note that the modules H & I can only be used as a freestanding ottoman and not part of the sofa configuration.

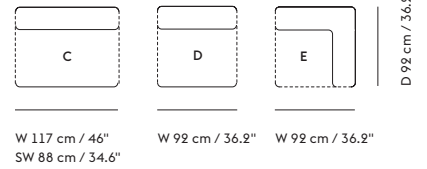

END MODULES

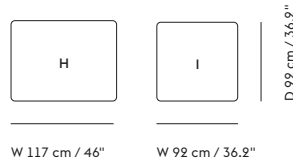

END & LOUNGE MODULES

CENTER & CORNER MODULES

FREESTANDING MODULES

Textile direction

Corner Module E is designed to be used as corner. If used as End Module with armrest, the textile direction can differ. Modules connected on the left side of Corner Module E will have the same textile direction. The textile direction of modules connected on the right side will run into the opposite direction.
