

FRITZ HANSEN

FRED™
PRODUCT FACT SHEET

FRED™

Elegant from every angle, the Fred™ lounge chair is a nod to calm and comfortable living. Designed by Jamie Hayon, the chair features a low, open silhouette and a sculpted wooden frame, assembled with care by hand. Wide, flat armrests and upright seating support the back and arms – ideal for long periods of socialising or reading.

PRODUCT TYPE

Lounge chair

ENVIRONMENT

DESIGNER / YEAR OF DESIGN

Jaime Hayon, 2019

ABOUT THE DESIGNER

Spanish artist-designer Jaime Hayon was born in Madrid in 1974. As a teenager, he submerged himself in skateboard culture and graffiti art, the foundation of the detailed, bold yet whimsical imagery so imminent in his work today. After studying industrial design in Madrid and Paris he joined Fabrica in 1997, the Benetton-funded design and communication academy, working closely with the legendary image-maker and agitator Oliverio Toscani. In a short time he was promoted from student to head of their Design Department. Eight years later, Jaime broke out on his own, first with his collections of designer toys, ceramics and furniture, later followed by interior design and installations.
