

SANYA

design Carlo Colombo
2012

This double-size bed captures the attention for the scenographic opulence of the headboard and its “pinned” quilting.

Available in two heights, the headboard can be supplied with completely removable fabric or leather covers; while the leather covers of the wide edge are fix and cannot be removed.

Sanya is available in the following versions: with box -spring base Comfort, with dismantable storage base with fixed slats with rigidity adjustment; with dismantable base H25 with fixed slats with rigidity adjustment, slats with electric movements or electric/manual combined.
